## JOIN THE CLUB!

The CDAF Board cordially invites you to become a member of **CLUB 100**. A donation of \$100 is all that is needed to join! To thank you, we will send you a CDAF apron, if desired.

These are trying times for all non-profits, CDAF included. Over the past several years, stock market losses and decreased donations have taken a toll on our investment portfolio and we need your help. We need your help to rebuild our unrestricted fund balance for distribution amongst the various scholarships and to provide administrative support.

Because of your past commitment to our profession as a CDA Executive Board and/or CDAF Board or Scholarship Committee member, we know that you understand the importance of CDAF scholarships and rewarding students for a *job well done*. We know you understand that high achieving students become bright and shining stars in our profession. We know you also understand the importance of promoting Registered Dietitians and the dietetics professions to our colleagues in the healthcare community and to the general public. Because we know you understand, we are asking for your help.

- ✓ We invite you to make a donation of \$100 or more to CDAF
- ✓ We invite you to help us rebuild our financial investment
- ✓ We invite you to become a member of **CLUB 100**

Thank you in advance for your support!
