All ADA/CDA members can view the Monday and Tuesday free webinar sessions individually.  
Monday will focus on current health and public policy topics  
Tuesday is for those who want to update their basic knowledge  
in the legislative and public policy arena.

If you are interested in participating, but are geographically challenged, you may consider setting up a *separate group site*. Please contact Nikkie for more information.

Please go to ADA's website ([www.eatright.org](http://www.eatright.org)) to get currently posted information on the workshop – the agenda is posted as well as information on the on-line format.
