Description:

Come be vegan for a morning with LAD! Leaf Cuisine is not only the "world's first certified organic, vegan, raw restaurant," but also a Certified Green restaurant by the Green Restaurant Association. As they explain on their website; "Our intention is to create healthful, tasty and affordable foods, in their natural state, using only organic ingredients, imagination and conscious care." We will get the opportunity to taste and discuss raw foods with one of Leaf's founder/chefs.
